**Re: *United States v. The Town of Oyster Bay, et al.*, No. 14-cv-02317**

Dear Judge Locke:

On August 30, 2016, Plaintiff filed a motion to compel discovery (ECF No. 76). On September 7, 2016, Defendant the Town of Oyster Bay ("Town") filed a letter motion seeking an extension of time for the Town's opposition, with the expectation that the Town would provide discovery obviating the need for judicial intervention (ECF No. 77). The Court granted the extension motion on September 9, 2016.

Yesterday, the Town produced to Plaintiff all of the documents sought in Plaintiff's motion to compel concerning the administration of the Next Generation housing program, and agreed to the Plaintiff's proposed procedure for inspection and scanning of hard copy documents concerning the Golden Age housing program. (*See* Attachment A hereto, September 19, 2016 letter from Brett Reynolds to Michael Goldberger and Sean Greene.)

Because those were the only two categories of documents sought by Plaintiff's motion to compel, the Town respectfully submits that the motion is now moot and should be denied without prejudice.

Respectfully submitted,

/s/ Christian J. Pistilli
